

THE 2008 STEWARDSHIP CONFERENCE
APRIL 11 – 12, 2008 KANSAS CITY, MISSOURI

Stewardship of the Gospel
(Commonly Known as Evangelism)

Workshop Description:

God has given us a treasure in the gospel, a treasure to be shared! How do we share what we have been given in Christ with others who have never heard about him in any meaningful way? How do we share the treasure of our congregational life and vitality with those who have no church community? This workshop will talk about the "why" of evangelism as well as give some concrete suggestions for reaching those outside our walls.
